Student Investment Account

What is the Purpose of the Student Investment Account?

1. Meet students' mental and behavioral health needs.
2. Increase academic achievement and reduce academic disparities for:
 - Students of color;
 - Students with disabilities;
 - Emerging bilingual students; and
 - Students navigating poverty, homelessness, and foster care; and other students who have historically experienced disparities in our schools.

Roadmap

How can we spend new money?

4 Categories for the Student Investment Account
